APC SERVICES

At APC Prosthetics, our highly experienced prosthetists work together with our clients and multidisciplinary health professionals to establish customised treatment pathways.

Our philosophy is to work with each individual to comprehensively assess their needs, establish their requirements and then deliver the appropriate solutions.

We specialise in the latest prosthetic solutions for:

- NDIS Participants, Private and Insurance Clients
- Upper Extremity Clients
- Osseointegration Clients
- Clients Requiring High Definition Silicon Solutions

Ideally located near Sydney Domestic and International Airports, the Alexandria Clinic makes it easier for interstate and international clients to access our services.

The APC Group has 12 qualified clinicians and over 30 staff available to assist clients at our modern and fully equipped facilities across NSW.

The Alexandria Clinic hosts *esp* (Esthetique Silicone Program). Through individualised colour matching and shaping we are able to produce high definition silicone prostheses for each of the following levels:

- Finger Restoration
- Partial Hand Restoration
- Upper Limb High Definition Silicone Prosthesis
- Toe Restoration
- Partial Foot Restoration
- Lower Limb High Definition Silicone Prosthesis
